To mark the opening of '[The Prequel](#)', the special edition of the Monheim Triennale, a series of duos with various artists will pay tribute to **Carla Bley's** epochal masterpiece '[Escalator Over The Hill](#)' on 1 July 2021 at 7 pm. Numerous other international concerts will follow in [Monheim am Rhein](#) between 1 and 3 July. Due to low COVID-figures, we can host all concerts at short notice with a limited live audience.

Among the recently confirmed artists is American sax player [Colin Stetson](#), who will perform in various constellations on all three days, just like all the other confirmed [artists](#).

There will be two concert blocks on all three days, each with three sets. The first concert will start **at 7.00 pm**, the second **at 9.30 pm** (night session). All concerts will be held aboard the event ship MS RheinFantasie, which will be mooring at the Monheim jetty.
