Monheim Triennale

~~1.-5. juli 2020~~ 1.-4. juli 2021

Livestream talk with Lakecia Benjamin + Achim Tang

Yesterday we [announced](#) the postponement of the first edition of the Monheim Triennale to 2021, today we look ahead and are very excited to welcome sax player [Lakecia Benjamin](#) from New York for a talk with our 'Artist in Residence' Achim Tang at **7 pm (UTC+2)** tonight. Lakecia Benjamin will not only play the saxophone tonight, but will also report from New York's inner city, which suffers the effects by the corona virus like no other major city.

Lakecia Benjamin recently released her latest album '[Pursuance: The Coltranes](#)', which is a tribute to two of the most influential jazz personalities of the 20th and 21st century: Alice and John Coltrane. The online music provider [Bandcamp](#) already hailed it to be among the best jazz albums in March 2020.

The livestream will be broadcast live on [Facebook](#) and on our [website](#) from **7 pm (UTC+2)** onwards.

So far American folk singer [Sam Amidon](#) and the artist duo [Dálava](#) have adorned our virtual concert space with wonderful sounds. Missed a live session? All previous concerts can be viewed again here.

If you have any questions, please feel free to contact me.
