Stian Westerhus and Achim Tang in our Livestream

In the 10th edition of our livestream series we welcome Norwegian guitarist [Stian Westerhus](#) on **Tuesday, May 26th at 7pm**. He has just recently released his latest album '[Redundance](#)', which is already regarded as award-winning material by music critics. As per usual, our [Artist in Residence](#) Achim Tang will host this talk.

We have done the sums: So far, ten artists have joined us in our [virtual concert space](#). Not only global, but also musical boundaries were overcome. Each edition presented us with new insights into the different facets of Triennale artists. We are looking forward to more!

Missed out on a livestream? All concerts can be viewed in our [online archives](#).

The concert will be broadcast live on [Facebook](#) and on www.monheim-triennale.de.

In case you have any questions, please do not hesitate to contact me.
