Monheim Triennale

~~july 1st - 5th 2020~~ july 1st - 4th 2021

**Livestream concert with Robert Landfermann, harpist
Kathrin Pechlof and Achim Tang**

For our next livestream, we are delighted to present the Cologne bass player and Triennale artist [Robert Landfermann](#) and the Berlin harpist [Kathrin Pechlof](#) in our [virtual concert space](#) of the Monheim Triennale.

The concert will be hosted by our [improviser in residence](#) Achim Tang and broadcast live on Facebook as well as www.monheim-triennale.de on Tuesday, **21 April at 7 pm**.

What's special this time? Kathrin Pechlof is part of a particularly special project which [Robert Landfermann](#) has planned for the first edition of the Monheim Triennale in 2021. In tribute to his birthplace Oberwinter, on the banks of the river Rhine, Robert Landfermann has assembled an ensemble exclusively for the Monheim Triennale, bringing together some of the best improvisers in all of Europe.

Please do not hesitate to contact me if you have any further questions.

Best regards and stay healthy!
