Save The Date: Could You Patent the Sun?

Marcus Schmickler will stage a musical soundscape on **Wednesday, July 1st 2020 at 9:30 pm** on the Rhine river. A short, accurate, poetic intervention spanning across both banks of the river. Live, for free and outdoors. Only in Monheim am Rhein. Details to be announced.

Today: Livestream with Kris Davis

We are incredibly pleased to welcome the New York pianist and composer [Kris Davis](#) today, **June 9th at 7 pm** at the Monheim Triennale virtual concert space. Our *Artist in Residence* Achim Tang will host the session. The livestream was postponed last week in solidarity with the black community worldwide after the murder of [George Floyd](#).

During the last two years Kris Davis was one of the shooting stars in the international jazz scene. In 2018 she was declared *Rising Star Artist* by [DownBeat magazine](#). Her latest album [Diatom Ribbons](#) was ranked #1 on the [New York Times](#) and [NPR](#) charts for best jazz albums of 2019. Her success continues: One week ago, she received the [JJA Jazz Award](#) for the categories Composer and Pianist 2020.

The livestream will be broadcast on [Facebook](#), on the website [dringeblieben.de](#) and on our [website](#).
